

Kirkcaldy Rugby Football Club

Dear parents and members,

You may or may not be aware of recent allegations relating to a safeguarding concern at the club. As a club, the wellbeing and safeguarding of our children and young people is of utmost importance and we liaised with Police Scotland and Scottish Rugby to ensure that appropriate action was taken at each stage to minimise any risk to our youth members. The individual to whom the allegations relate is currently suspended from the club and the matter is now being dealt with by the appropriate authorities.

You may already have been advised by the Club Child Protection Officer (CPO) but should any of our young people need any further support then we can recommend contacting:

Childline on 0800 1111 or via www.childline.org.uk

Our CPO Andy Brunton via andybrunton@yahoo.co.uk

Scottish Rugby at safeguarding@srugby.org.uk

Please be assured that the club is committed to keeping our young members safe and enjoying their rugby. We look forward to welcoming everyone back when Covid restrictions start to ease and we can get back to the sport we all love.

Kind Regards

Kirkcaldy Rugby Club Board
